

## PROLI NA 6101

Agro Chemicals

### IDENTIFICATION

Methyl Ester Solvent

#### Specifications

- |                                |           |
|--------------------------------|-----------|
| • Appearance                   | Liquid    |
| • Color                        | Yellow    |
| • Density(gr/cm <sup>3</sup> ) | 0.85-0.87 |
| • Solid Content %              | 70 Min    |
| • Solubility                   | Insoluble |
| • Acid Value                   | 1 Max     |

#### Application

Solvent

#### Function

Adjuvant

#### Packing

Available in 120, 1200 kg drums

#### Shelf Life

Stable for three years in unopened drums.

#### Note

According to our best knowledge and technical experiments, the above Data is true and accurate. Regarding to variety of consumption Procedures, it is recommended before use to evaluate the information.
